What We Would Like to Know.

t Where Vennor's frost is. t Who will care for mother now

† If Will Hoffman wears plumpers. † If there is any cure for meanness. t How many read this column first

† How this weather suits everybody. + What has become of Fred Mark-

† Why Tom Hinde keeps his "purp" † Where Cad. Slaughter gets his ice

† If King of the Saturday Democrat

† Why Bruce Earl has recently grown

t When Leigh Irvine will go to Brownville. t What the saddest words of Louis

Irvine are. t How much Billy Frame paid for those filleys.

+ If Cyrus Philbrick has any use for a hotel clerk.

† Why L. E. Roberts comes to Ore-Son so often † Why there is so much money in the

ovster business. † If this cool weather encourages living above, Fritzy matrimony any.

† If John Curtis could turn over in a

sleeping car berth. + Where Groves & Ferguson got their cheap stock of goods.

ally thin and Catholic priests fat. + How many old maids would really

say "no" if the question was pushed. sympathize with the red-headed gurls. † How much Tom Hinde paid for those ducks and fish while out hunting

last week. † If it doesn't look a little suspicious to see John Philbrick buying so much farniture.

egon, and how soon he will make his re idence here again. 4 If Sam. Ruley will be county Su-

perintendent of Schools. † And if he is will he "set 'em up." + Why Will Rostock refused to be

comforted last Sunday-and if he really enjoys the visits of a certain young man from Maitland

An Accident.

Last Thursday about noon, as J dge frightened at the hilarity which seemed his wound was not more serious. to be spontaneously bursting from the lungs of a few boisterous louts in the campus, and ran away. They plunged forward about half a block when the wagon was upset and Mr. Meyer was thrown violently against the ground to Nemaha county, Kansas, and badly bruised up. The horses ran but a short distance further until the doubletrees were smashed in splinters ing for homes. Most of them we believe are and the wagon pi'ed up against a fence, I from Bilmeis. The horses ran still further on but were finally caught. The wagon was gather- at that figure. ed up and repaired some, and Mr Meyteam. Mr. Meyer is still quite sore from the bruises received, but as no bones were broken, it is thought that he will soon be about again.

Obituary.

Died, near this city, on Tuesday, Sept. 13th, 1881, Henry S., son of Elder gone to Kansas to take a back at the cauntry:
W. A. and Mary L. Gardner, aged one the two latter will remain there if they find a school Convention.

Little Henry was sick sixteen days, his sufferings were intense. His life short months, he entwined humself into posture and meadow. People new see what a the hearts of the family. He will be said adstate they made in breaking all of their sailly missed. His childish prattle will prairie and relying on outside range. no longer be heard. But weep not for him, my brother and sister, for tree from the chilling blasts of earth, he has gone to the paradise of God, no longer Another of Earth's pure, sweet flowers has been transplanted from earth into the garden of God above to bloom in immortal sweetness forever. Another precious jewel has been gathered into Heaven's van't which shine with renewed brightness when time ends and the great elecuity begins. Brother and sister Gardner have the sympathy of the entire community in this sad hour of affliction, and to them we tender the sympathy of and comfort their sorrowing hearts.

SCANDAL-MONGERS.

FOR THE COUNTY PAPER.

Do you hear the scandal-mengers Passing by.

Breathing poison in a whisper, In a sight

Moving cantiously and slow, Smiling sweetly as they go: Never not-y-gilding smoothly like a snake. Slipping here and sliding there Through the meadows fresh and fair.

Leaving subtle slime and poison in their wake

Saw you not the scandal monger As she sat, Bearing brightly togath the roses

On her hat? In her dainty gloves and dress, Angel-like, and nothing less, Seemed she-casting smiles and pleasant words

about. Once she shrugged and shook her head, Raised hereyes and nothing said, When you spoke of friends, and yet it left a

Did you watch the scandal-monger At the ball,

Through the music, rhyming, beauty, Light and all? Moving here, and moving there, In a whisper light as air.

Casting skadows on a sister woman's fame-Just a whispered word or glance-As she floated through the dance, And a doubt forever hang upon a name.

You will find the scandal-mongers Everywhere; actimes men, often women, Young and fair;

Yet their formes dip fordest slime, And they spend their leisure time Casting mud on those who climb by Worth. Shun them, shun them as you go,

Shun them whether high or low They are but the cursed serpent of the earth. Your Farnishing Goods, Hats, Caps,

The Drouth.

Boots and Shoes at Amos Castle's

Mr. Clark Irvine, who has just reurned from an extended trip through Plino's, Ohio, Kentucky and Tennessee, was interviewed last week and gives the following brief account of the terrible drouth in that section of country. He says: "When I passed through the last July, about the 24th, and through Kentucky and Tennessee about August 10th, I found the whole region suffering under the drouth. I have reports from most of the counties I have passed through up to the 10th of this Watson. month, and with the exception of portions of Missouri and Illino s and some small regions elsewhere, no rain has Walson. yet fallen. In most of the counties of Tennessee and Kentucky and in very many of Ohio, Indiana, Illinois and Missouri people are now suffering, for lack of food and water, very great inconvenience. In some counties those who are able are importing grain slready. We of Northwest Mi-souri are in the best condion of any people in all

things are. WEARY TRAVELERS. cinnati to their home at Ame is, in Clermont county, Ohio. The father, whose name is W. C. McGill, we found

to be a very intel igent man. He and his son started west last October prospecti-g for a place to emigrate to. After seeing many places they stopped at Hastings, Nebraska, a town of twenty-Hastings, Nebraska, a town of twenty-five hundred inhabitant in the center Oregon the last week in this menth. of the State. They left that place six weeks ago to-day mounted on broncho horses. They entered the State of Mis souri at St. Joseph, and crossed the Missouri river four times. Commencing with Nebraska they passed through Kansas, Missouri, Illinois and Indiana. About one-half of the time they were compelled to camp out, the inhabitants along their route not permitting them to stay. The greatest suffering from drouth was found to be in Hinois, (their route was from St. Louis to Vincennes Ind.) the inhabitants of many of the counties that he passed through will have to beg assistance from the State this winter. Al: that could get away from this devastated country were gofrom this devastated counting, and that was by hundreds often, and that was by hundreds often, not knowing where they would go to, and with nothing to go on. In addition to the drouth in Illinois is the for grazing. May be seen at Mound chunch bug which is destroying the fodeline bug which is destroying th going there can buy land very low in-deed, and live stock at his own price nearly.
